C I S Z A , K T Ó R A R O B I W R A Ż E N I E

Sztuka funkcjonalna. Obrazy akustyczne w wielkim formacie.

F

Skuteczność akustyczna w artystycznym wydaniu.

Fluffo ART to kolekcja, która buduje charakter i emocje przestrzeni. Traktuje ścianę jak płaszczyznę twórczą. Duże formaty, wyraziste kompozycje i przemyślane zestawienia kolorystyczne sprawiają, że panele przestają być tłem – stają się mocnym akcentem wnętrza.

To cisza, która ma być widoczna i podziwiana. Doskonale sprawdza się tam, gdzie design ma znaczenie wizerunkowe.
